**REPLY TO STATEMENT ON REASONS FOR ALLOWANCE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Allowance and the Examiner's statements on reasons for allowance, Applicant submits the follow comments.

Applicant generally agrees that the Examiner's statements on reasons for allowance are one justified reason for allowance of the pending claims. However, other reasons may also exist. Accordingly, Applicant does not acquiesce that the reasons identified by the Examiner are the only reasons that the Application should have been allowed. Applicant also notes that the specific features recited in the Examiner's statements on reasons for allowance are not the same, verbatim, in all pending claims. To the extent that the features of any claims differ from the features identified in the Examiner's statements on reasons for allowance, such features should be interpreted without regard to the Examiner's statements.

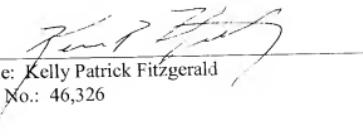

Applicant respectfully requests that this Reply be placed in the prosecution record prior to issuance of the present Application.
